# Action Taken Report on Feedback

After taking feedback from students certain points were discussed and solutions were provided for them.

S. No.	Particulars	Action Taken
1	Curriculum and Syllabi of the Courses	After getting the feedback from the student, HODs along with the faculties are advised to go through the syllabus and find the gap in it and try to fulfill it.
2	The Extent of Syllabi Covered in the Class	HODs are advised to understand the reason and discuss with faculties to increase the syllabi coverage.
3	Course delivery by faculty members in the class	As per the received feedback, HODs are instructed to discuss with the faculties and try to find out the problems/issues so that course delivery can be improved further.
4	Usage of teaching aids and ICT in the class by faculty to facilitate teaching	Faculties are advised to use teaching aids and ICT tools in their teaching to make classes more interactive.
5	Fairness in the assessment processes (Quizzes, Assignments, etc.)	Authorities have instructed the HODs to make the assessment process more transparent.
6	Accessibility of the teacher in and out of the class (includes the availability of the teacher to motivate further study and discussion outside class)	It has been suggested that the department should devote extra attention to students.
7	Integrate course material with environment/ other issues, to provide a broader perspective	Faculties are advised to teach their subject/s considering the social issues and practical issues.
8	Integrate content with other courses	Discuss the relevance/connection of the course with other subjects.
9	Overall Learning Experience	As per the feedback received the overall learning experience is quite good but can be improved further by considering the suggestion given by the authorities.

## FACULTY FEEDBACK ACTION TAKEN REPORT

1. When necessary, HODs were requested to explain the topics covered in the syllabus.
2. To bridge the academic and present global situation gaps, HODs were instructed to examine the curriculum as needed.
3. Faculty members were invited to recommend book titles in accordance with the newest edition.
4. Interaction between instructors and students using learning management systems was encouraged. ICT was used to effectively implement Smart Classrooms, video conferencing, and other technologies.
5. The learners were given case study projects. They were able to learn problem-solving techniques as a result.
6. In addition to normal instruction, kids must be taught social responsibility and human values.
